

## Weststar Aviation Services and Petronas Dagangan Berhad Join Forces to Advance Sustainable Aviation Fuel Adoption

**Selangor, Malaysia – 7th September 2023** – Weststar Aviation Services (Weststar), the largest offshore helicopter transportation services provider in Southeast Asia, has taken a significant stride towards a greener aviation future by partnering with Petronas Dagangan Berhad (PDB) to promote the utilization of Sustainable Aviation Fuel (SAF) in offshore helicopter operations across Malaysia. This historic partnership was unveiled during the Selangor Aviation Show 2023, held at SkyPark RAC Selangor on the exhibition's inaugural day, reaffirming both entities' shared commitment to eco-conscious practices and sustainable aviation.

This collaborative endeavor underscores Weststar's unwavering dedication to sustainability and environmentally responsible aviation practices.

Datuk Ts Wan Hasmar Azim Wan Hassan, CEO of Weststar Aviation Services, expressed, "Weststar has always prioritized environmental responsibility. This collaboration with PDB perfectly aligns with our sustainability objectives and reinforces our commitment to providing our clients with the finest eco-conscious aviation services."

He further emphasized, "The partnership between Weststar and PDB sets a robust industry precedent, emphasizing the significance of sustainable practices and responsible fuel sourcing. Through our collective efforts, we are charting a course towards a greener, more sustainable future for aviation."

The SAF used for this collaboration was supplied by PDB in collaboration with Neste, the world's leading producer of SAF. Weststar initiated this collaboration by signing a memorandum of understanding (MoU) with PDB during the recent LIMA exhibition in March.

## About Weststar Aviation Services

Weststar Aviation Services is a renowned leader in the offshore helicopter services industry, providing safe and reliable transportation of personnel to offshore oil and gas platforms and drilling rigs. Our commitment to safety and efficiency has earned us a prominent reputation in the industry. We cater to some of the world's leading blue-chip oil and gas industry clients, offering a cutting-edge fleet of helicopters that ensure the highest levels of safety and performance. With our expanding fleet and technical expertise, we provide comprehensive helicopter services to the industry. Our presence extends across multiple countries, including Malaysia, Indonesia, Timor Leste, Italy, Equatorial Guinea, Congo, Namibia, Gabon, Mauritania, and the Kingdom of Saudi Arabia.
